In the event of you not agreeing to these Terms, you are requested not to use the Web Site nor download Materials from the Web Site.

EAZITRADE has business relationships with distributors, customers, suppliers, and others. For convenience and simplicity, words like joint venture, partnership, and partner are used to indicate business relationships involving common activities and interests, and those words may not indicate precise legal relationships or specific rights.

Brokerage Services:

EAZITRADE provides an online platform for buyers and suppliers to trade commodities. This platform may additionally enable independent brokers to facilitate trades between buyers and suppliers (the “transacting parties”. EAZITRADE does not act on behalf of any party using the Web Site and is not responsible for the negotiation, purchasing or supplying of commodities traded through the Web Site.

All commodity trade agreements entered into between the parties are done independently of EAZITRADE and subject to terms agreed to by the transacting parties themselves. The Web Site merely functions as a platform to facilitate transactions between the parties. Accordingly, EAZITRADE shall not be responsible for the fulfilment of obligations or breach thereof by transacting parties using the Web Site to facilitate such transactions.

It is the responsibility of the transacting parties, and not EAZITRADE, to ensure obligations under any transactions are complied with by the relevant parties. Responsibility for ensuring that any required transaction notifications and documentation have been transmitted and received by the intended party, is the responsibility of the transacting parties. The responsibility shall endure regardless of the fact that EAZITRADE may facilitate the transacting parties' performance of obligations, providing of notifications and population of documentation required for entering into and concluding a trade, and the freight of the commodity traded.

It is the responsibility of the transacting parties to ensure backup measures are in place for entering into and concluding commodity trades in the event that the Web Site does not function properly and/or fails to facilitate the performance of obligations between the transacting parties. Accordingly, any confirmation of action required by the transacting parties and validation thereof shall be the responsibility of the transacting parties and not EAZITRADE. Nevertheless EAZITRADE shall endeavour to remedy any problems with the Web Site in this regard and the parties undertake to, as soon as reasonably possible, notify EAZITRADE should such Web Site functionality problems arise.
